Dear Ms. Kelly:

Thank you for your letter of August 20, 1996 regarding the July Quarterly Report (4/4/96 - 6/30/96). This letter was received by the campaign committee on August 26, 1996.

Amendments we have made to the report have corrected the discrepancies mentioned in your first itemization.

With regards to your second itemization, upon review of the report, we have discovered why you suspect we may have failed to file a 48 hour notice. A contribution from the 'Bob Matsui for Congress' committee, in the amount of \$1000 was listed on Schedule A as being received on 4/22/96. This check was not received by the 'Doyle for Congress' committee until 5/22/96 and therefore not subject to 48 hour reporting notices. The mistake occurred when the date on the check, rather than the date it was received, was reported on the Schedule A. We have corrected our Schedule A to reflect the date this check was actually received.

With regards to your third itemization, we have amended the report to reflect the contribution in question on Schedule A. This contribution was reported in a timely fashion on the 48 hour report, but was accidentally overlooked on the Schedule A. Additionally, we have amended the report to reflect a contribution, not referenced in your letter, from the CWA Local 13000 PAC Fund. This is another contribution which was reported in a timely fashion on the 48 hour report, but was accidentally overlooked on the Schedule A.

Our further review of the report also lead us to discover a computer entry error that lead us to misreport, by \$1359, the amount of unitemized contributions for line 11(a)(ii) of the detailed summary page. We have amended the report to correct this mistake.
